

MHAA Cage Sponsorship

A unique way to visibly support the animals at the shelter until they find a forever home! A special frame featuring your name, your pet's name or the name of the sponsoring company or organization will be displayed on one of our maternity, intake or isolation cages. A small photo of your pet or business logo can be included with camera ready art work. Email: fundraising@midhudsonanimalaid.org
Your sponsorship money will help provide food, medical care and comfort.
