The Cat's Meow

Volume 23

Winter 2023-24

Peace

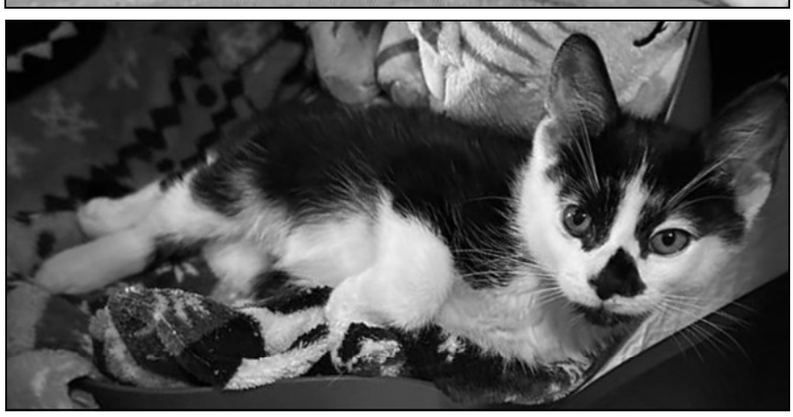

2023 has been another challenging year for MHAA. The magnitude of cats in desperate need of our help has been epic. Senior cats that were sick, displaced, forgotten, and tossed aside were in abundance. Procuring adequate funding and additional foster homes was a daily struggle. Some days we prayed for a miracle or at least a little peace. And, then somehow, *Peace* found us. This adorable gentleman was dumped in a busy parking lot in a carrier, with a sign that said "free cat". His fate could have been horrific, ending in tragedy. But sweet little Peace knows no fear or harbors no ill will. He has a serenity that is rare in abandoned cats. It is almost like he is immune to or unaware of the potential dangers he faced in that parking lot. Peace is not scared or angry or interested in dwelling on his cruel past. He seizes the day and is eager to make friends with everyone. His desire to be loved and begin his next adventure is fuelled by boundless energy.

He is currently exploring his fully loaded foster room (with endless toys, towers, and beds) until he is ready for his forever home. At the tender age of two months, Peace chooses love. Peace is determined to live his best life and show gratitude each day. His strength and gentle spirit in the face of adversity are truly gifts to us all.

Here's hoping 2024 is full of generous and loving hearts like Peace. May your holiday season be filled with warmth, joy, and Peace.

With gratitude for all of your support and love shown to our beautiful cats,
Don Petruncola, MHAA Board President

When you rescue an animal, you rescue a soul. Help MHAA help them.

What an amazing bonded pair! These boys complement each other so well: Jimmy is outgoing and loves to play. Little Dude will join in but is a little shy. Jimmy will follow you around and loves to be the center of attention. Both of these stunning tabbies enjoy wand toys, treats, and window sills to lounge on. Help them find their forever home! Come visit any day between 12 and 4. For more information, please contact Mid Hudson Animal Aid at (845) 831-4321 or send an email to sheltermanager@midhudsonanimalaid.org. You can complete the adoption application when you visit, or submit this form online: http://www.midhudsonanimalaid.org/adoption-application-2/.

Bronte is gorgeous and she knows it! She was adopted out and then found wandering around in another state! No owner responded to our multiple messages, so she returned to our sanctuary. Bronte is a super friendly, charismatic, and active girl. She sometimes likes her alone time, and prefers to be an only cat. She lovingly awaits your visit! Please come by soon.

Max is an amazing senior boy who loves to shadow you! He adores the company of non furry friends and good conversation. Max will melt into your arms! He has diabetic neuropathy (due to lack of care prior to MHAA), which causes him to be a little wobbly, but he is extremely mobile. His diabetes is well managed and he is excited to find his forever family!
